

UNIFORM GUIDE

Our Dress Code

The school uniform is the most visible symbol of identity for Sunrise Christian School. It is expected that all students take pride in their appearance and that this uniform will be worn in such a manner that the aim of glorifying God will be seen. Parents are to ensure that uniforms are well-fitted, clean, neat and worn in a dignified and respectful manner during the school day, and while travelling to and from the school.

The dress code of Sunrise Christian School has been established to help parents and students know what is expected. It is not meant to stifle individuality but rather remove some of the distractions that prevent students from achieving their best academically, socially and spiritually.

What uniform to wear when?

- Summer uniform: Terms One and Four
- Winter uniform: Terms Two and Three

At any time during the year, the School may alert families that students can wear a different uniform on days of unseasonable weather.

Consequences

Wearing the correct school uniform is compulsory, and a written note should be sent to the school explaining the reason for any incomplete uniform. Any breaches will be followed through in line with the School Behaviour Code.

Transition to the new uniform

Sunrise will transition to the uniform marked out in this guide until the start of the 2025 school year. During 2024, the existing uniform is permitted to be worn. However, elements of the current and new uniforms must NOT be worn together.

School Blazer and Soft-shell Jacket

In Terms 1 and 4, the School Blazer is to be worn to Monday Assembly, Presentation Night, and other special occasions and on excursions as advised. A student may wear the blazer with their summer uniform on other days at their discretion. In Terms 2 and 3, the School Blazer is to be worn to and from school each day the student is in formal uniform, including at Assembly, on special occasions and on excursions.

The soft-shell jacket is a part of the formal uniform and

can be worn in summer and winter. The soft-shell jacket may not be worn instead of the blazer when the blazer is required and cannot be worn together.

Non-Uniform Items

Students are not permitted to wear non-school items to school. Students will be instructed to place such items in their locker, and repeated offences may lead to the item being confiscated for a period of time at the discretion of school leadership.

Presentation Night

Presentation Night is the most formal evening in the School Calendar. The School expects students to attend looking their very best.

Casual Clothes

Neat casual attire is required on days when students are granted exemption from the formal/PE uniform policy, such as fundraising days, dress-up days, etc.

Closed-in shoes are required if manual arts or sports lessons are timetabled.

School uniform items will be loaned to students to change into if:

Casual and dress-up days are held to raise funds for our international Sunrise schools, recognised charities or the Parent Group. Students must bring the suggested donation on the day in order to participate. Students not participating must wear their school uniform. Students will be advised of casual/dress-up days via their home group teacher, and parents will be advised via official school communication channels.

Personal Grooming
