FEET AND A LIGHT  
UNTO MY PATH.

PSALM 119:105

In line with reporting obligations under the Schools Assistance Regulations 2009, the Australian Education Act 2013 requires independent schools to publicly report a range of school performance information.

The information that follows is in response to the criteria and requirements outlined by the Commonwealth Government.

The information relates to the 2022 School Year.

# CONTEXTUAL INFORMATION

Sunrise Christian School was founded in 1978, as a ministry of Adelaide Christian Centre (Sturt Street) who were acting on a faith-filled vision in obedience. The first Sunrise Christian School opened its doors in Fullarton and, by the grace of God, has expanded to six locations, including two in regional South Australia.

The school's governance, oversight and spiritual guidance is entrusted to Adelaide Christian Schools, an incorporated association that governs a number of schools including Temple Christian College and Discovery Christian College Queensland, as well as international schools Sunrise Bethel Christian School Papua New Guinea and Faith Christian College South Carolina in the United States.

This network allows for shared resources and teaching standards, ensuring Sunrise can provide the highest level of education. Along with this, it provides families and students with the opportunity to be a part of a larger community, to build new relationships and open doors to future education.

Since welcoming those first students in 1978, Sunrise has developed a reputation and tradition for providing excellence in a Christ-centred education. Our dedicated staff, who are all committed to Christ, work together with parents and their local church to ensure that each child's learning experience is happy, challenging and successful.

# OUR MISSION

Sunrise Christian School exists to provide a welcoming, family-orientated and Christ-centered learning environment. Generations of social influencers and disciples of faith are engaged, motivated and empowered in a holistic, Biblically-based manner to develop a love of learning.

At the core of our philosophy is the understanding that faith is inherent in every aspect of life. Therefore, we do not teach 'Bible' or 'Christian Studies' as a separate subject. To do so is to imply that faith is separate from the rest of life. The Biblically-based curriculum has been developed within the school over the last three decades to produce a quality cyclic approach, using traditional methods of pedagogy (teaching) in conjunction with the best of current practice.

Our school, in close partnership with parents, endeavours to create the greatest opportunities for each child to discover and embrace their God-given talents, and then, as faithful Christians, apply those gifts to enrich the world and communities we live in.

The average expenditure for professional learning per teacher was \$752.68.
